No significant change in company activities occurred during the year.

Review of Operations

The net amount of the operating surplus, after income tax expense, for the financial year was \$ 116,334 (2011: \$ 67,257).

During the financial year the company continued to operate the ranges at Springvale and Little River and defend the rights of firearm owners in the state of Victoria.

Changes in State of Affairs

There were no significant changes in the state of affairs of the company during the financial year.

Future Developments

The directors believe on reasonable grounds, that to include in this report particular information regarding likely developments in the operations of the company and the expected results of those operations in future financial years would be likely to result in unreasonable prejudice to the Company. Accordingly, this information has not been included in this report.

Directors' Report.....cont'd

After Balance Date Events

The renegotiation of the Springvale Range lease will be undertaken in the 2012 / 2013 financial year and this may have an impact on our operations.

Except for the above there are no matters subsequent to the financial year that have or may have a significant effect on the operations, results or state of affairs of the company.

Dividends

The company is prohibited by its Constitution from the declaration of any dividend to members and as such no dividends have been declared or paid for the current or preceding financial years.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
SPORTING SHOOTERS' ASSOCIATION OF AUSTRALIA (VICTORIA)
(Company Limited by Guarantee)**

Report on the Financial Report

We have audited the accompanying financial report of Sporting Shooters' Association of Australia (Victoria), which comprises the statement of financial position as at 30 April 2012 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of Sporting Shooters' Association of Australia (Victoria), would be in the same terms if given to the directors as at the time of this auditor's report.

SPORTING SHOOTERS' ASSOCIATION OF AUSTRALIA (VICTORIA)
(A COMPANY LIMITED BY GUARANTEE)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FINANCIAL YEAR ENDED 30TH APRIL 2012

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) of the Australian Accounting Standards Board (AASB) and the Corporations Act 2001.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information and transactions, events and conditions to which they apply.

The financial report is for Sporting Shooters' Association of Australia (Victoria) as an individual entity.

The financial report is presented in Australian dollars.

The following is a summary of the material accounting policies adopted by the entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

The financial report has been prepared on an accrual basis and is based on historical costs modified the revaluation of selected non current assets, and financial assets and financial liabilities for which the fair value basis of accounting has been applied.

(a) Income Tax

The activities of the company are such that under current legislation, no liability for income tax is likely to arise.

(b) Acquisitions of Assets

Assets acquired are recorded at the cost of acquisition, being the purchase consideration determined as at the date of acquisition plus costs incidental to the acquisition.

In the event that settlement of all or part of the cash consideration given in the acquisition of an asset is deferred, the fair value of the purchase consideration is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

(c) Inventories

All inventories are stated at the lower of cost and net realisable value. Costs are assigned on the basis of weighted average costs. Stocks are made up of merchandise for sale.

(d) Depreciation

Depreciation is provided on property, plant and equipment, including freehold buildings but excluding land. Depreciation is calculated on a diminishing value and a straight line basis so as to write off the net cost or other revalued amount of each asset over its expected useful life.

Leasehold improvements are depreciated over the period of the lease or estimated useful life, whichever is the shorter, using the straight line method. The following estimated useful lives are used in the calculation of depreciation:

| | |
|-----------------------|------------|
| Leasehold Improvement | 5-13 years |
| Buildings | 40 years |
| Plant & Equipment | 2-13 years |
| Capital Improvements | 7-13 years |

SPORTING SHOOTERS' ASSOCIATION OF AUSTRALIA (VICTORIA)
(A COMPANY LIMITED BY GUARANTEE)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FINANCIAL YEAR ENDED 30TH APRIL 2012

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont)

(e) Employee Benefits

Provision is made for the entity's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Those cashflows are discounted using the market yields on national government bonds with terms to maturity that match the expected timing of cashflows.

(f) Revenue Recognition

Income - Membership Fees and Range Fees/Passes

Membership Fees and range fees/passes are brought to account as income to the extent that they relate to the year of income. Under the articles no refunds are applicable and hence no portion is shown as Membership Fees paid in advance.

(g) Account Payable

Trade payables and other accounts payable are recognised when the company becomes obliged to make future payments resulting from the purchase of goods and services.

(h) Receivables

Trade receivables and other receivables are recorded at amounts due less any provision for doubtful debts.

(i) Leased Assets

Operating lease payments are recognised as an expense on a basis which reflects the pattern in which economic benefits from the leased asset are consumed.

(j) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except:

- i. where the amount of GST incurred is not recoverable from the taxation authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense; or
- ii. for receivables and payables which are recognised inclusive of GST. The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

(k) Financial Instruments

Recognition and Initial Measurement

Financial Instruments are initially measured at cost on trade date, which include transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

Derecognition

Financial assets are derecognised where the contractual rights to receipts of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expire. The difference between the carrying value of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

Classification and Subsequent Measurement

Financial assets at fair value through the profit or loss

A financial asset is classified in this category if acquired principally for the purpose of selling in the short term or if so designated by management and within the requirements of AASB 139: Recognition and Measurement of Financial Instruments. Realised and unrealised gains and losses arising from changes in the fair value of these assets are included in the income statement in the period in which they arise.

Held to maturity investments

These investments have fixed maturities, and it is the entity's intention to hold these investments to maturity. Held to maturity investments thus included IMMS Debenture.

Any held to maturity investments held by the entity are stated at amortised cost using the effective interest rate method.

Available for sale financial assets

Available for sale financial assets include any financial assets not included in the above categories.

Available for sale financial assets are reflected at fair value. Unrealised gains and losses arising from changes in fair value are taken directly to equity.

Financial liabilities

Non derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

Impairment

At each reporting date, the entity assesses whether there is objective evidence that a financial instrument has been impaired. Impairment losses are recognised in the income statement.

(l) Sub-entities

The financial statements of the company (SSAAV) incorporate the operating results, assets and liabilities of all the sub-entities which it controls. The sub-entities comprise unincorporated branches and clubs, each with their own elected committees in charge of carrying on the day to day operations of the sub-entity in accordance with the financial and operating policies set by the company.

All members of the sub-entities are members of SSAAV, and SSAAV through its Board of Directors has the power to govern the financial and operating policies of the sub-entities so as to obtain benefits from the activities of the sub-entities. These benefits include to promote pistol shooting discipline to members.

Under the rules of SSAAV, sub-entities are unable to enter into legally binding agreements. Legal agreements that are approved by SSAAV affecting sub-entities are undertaken by the company for the benefit of the members of SSAAV.

Upon the winding up or other dissolution of a sub-entity, all assets revert to the company.

(n) Where necessary comparative information has been reclassified to achieve consistency disclosure with current financial year amounts and other disclosures.

NOTE 16: FINANCIAL INSTRUMENTS

a. Financial Risk Management Policies

The entity's activities expose it primarily to the financial risks of credit and liquidity. The board of directors are responsible for monitoring and managing the financial risks of the entity.

They monitor these risks through the annual budgetary process which is managed by the Finance Sub-Committee (FSC). All major financial issues are examined by the FSC at their monthly meetings, from which they make recommendations to the board for resolution. The board also meets monthly to consider any recommendations made by the FSC. Monthly management accounts are presented and analysed at all FSC meetings before being presented to the board. Any changes to be implemented are communicated to the management by the Chief Executive Officer who attends all board meetings. The entity does not enter into derivative financial instruments and does not speculate in any type of financial instrument.

b. Liquidity Risk

Liquidity risk is the risk that the entity will not be able to meet its financial obligations as they fall due. The entity monitors its cash flow needs on a weekly basis. In the event of a potential cash deficit, the entity has access to financial reserves.

SPORTING SHOOTERS' ASSOCIATION OF AUSTRALIA (VICTORIA)
ABN 88 005 020 422
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2012

NOTE 16: FINANCIAL INSTRUMENTS

c. Credit Risk

Credit risk is the risk of financial loss to the entity if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The entity has exposure to credit risk through its trade receivables, and funds placed with financial institutions.

The entity's maximum exposures to credit risk at balance date in relation to each class of recognised financial asset is the carrying amount of those assets as indicated in the statement of financial position.

The maximum credit risk exposure does not take into account the value of any collateral or other security held, in the event other entities/parties fail to perform their obligations under the financial instruments in question.

The Management manage the credit risk in:

- (i) trade receivables by assessment of each counterparty's capacity to repay and its payment history. Any amount owed outside its repayment term must be approved by the Board of Directors
- (ii) funds placed with other financial institutions by only depositing with financial institutions which have a Standard and Poor's rating of at least BBB+. This is managed by the Chief Executive Officer who reports back to the Board of Directors on a regular basis.

d. Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will affect the entity's income or the value of its obligations, and arises on variable rate debt.

The entity is not exposed to any significant interest rate risk.

e. Other Market Price Risks

Price risk is the risk that the fair value or future cash flows of a financial instrument will change because of changes in market prices. The entity is not exposed to any significant price risk.

f. Sensitivity Analysis

The entity has not performed a sensitivity analysis relating to its exposure to various market risks at balance date as the effect on the current year's results and equity, which could result from a change in these risks, is not material because its exposure is not significant.

NOTE 17: DIVIDENDS

No dividends have been paid or proposed during the financial year.

NOTE 18: CONTINGENT LIABILITIES

The directors are of the opinion that there are no material contingent liabilities.

NOTE 19: MEMBERS FUNDS

The company is limited by guarantee. If the company is wound up, the Constitution states that each member is required to contribute a maximum of \$20 each towards meeting any outstanding obligations of the company.

NOTE 23: FINANCIAL INSTRUMENT COMPOSITION AND MATURITY ANALYSIS

a. Interest Rate Risk
 The table below reflects the undiscounted contractual settlement terms for financial instruments of a fixed period of maturity, as well as management's expectations of settlement period for all other financial instruments. As such, the amounts may not reconcile to the statement of financial position.

b. Fair Values
 The fair value of the entity's assets and liabilities approximates their carrying value. No financial assets and financial liabilities are readily traded on organised markets in standardised form. Financial assets where the carrying amount exceeds fair values have not been written down as the entity intends to hold these assets to maturity.

The aggregate fair values and carrying amounts of financial assets and financial liabilities are disclosed in the statement of financial position and in the notes to the financial statements.
