SSAA-Victorian Muzzle Loading Club
Competition Programme 2025

1. VMLC **COMPETITION**, and **PRACTICE** shoots are held at the SSAA (Vic) Eagle Park Shooting Complex on Main Range 2.

Competition days are held on the **SECOND** Saturday of each month.

Practice days are held on the **THIRD** Saturday of each month, with the **EXCEPTION** being **April 2025** which is the **FOURTH** Saturday.

The VMLC **State Championship Competitions** are held on the **THIRD Saturday and the day after**, however, the **November Practice Day** is the **SECOND** Saturday.

2. A Declaration of a **Fire Ban for the Central Area** will result in the cancellation of **black powder shooting** for that day, however, the VMLC will still shoot on those days but only **with smokeless powder**. So please plan ahead and bring whatever smokeless firearms you have, including shotgun, as well as ammunition, so that you can participate in some impromptu competitions / shooting fun.

3. **SSAA Range Fees**. These must be paid at the Eagle Park Range Office by all persons who intend to shoot on the day, in addition, persons visiting Eagle Park, but not shooting, are still required to sign in at the Range Office.
When paying your SSAA (Vic) Range Fees at the Range Office, VMLC Members are advised to tell the Range Office staff that you are shooting with the Victorian Muzzle Loading Club, so that they apply the SSAA (Vic) Sub-Club Range Fee discount for you. **The Range Fee Payment Receipt that will be issued to you, must be sighted by the VMLC Club Captain, see item 4 below.**

4. **VMLC Members and Visitors – Attendance and Competition Fees.** All attendees including Members and Visitors must **Register Your Attendance** at the VMLC Club Room, with the Club Captain by 8:30am on each VMLC competition day; this is required whether you are **shooting or not**. In addition, you will also advise the Club Captain of the competitions that you are entering, or if you are plinking only.
Registration and Payment is required whether you are shooting in competitions or plinking only.
All attendees will pay to the Club Captain an Attendance Fee of $6.00 on the day, as well as a Competition Fee of $3.00 per competition entered, $5.00 for shotgun, to a maximum of $20.00 per day, per person. Persons who are not competing, but are plinking or practicing, are still required to pay the attendance fee of $6.00 per day, per person, in addition to the fee of $3.00 per target required from the VMLC.
The Range Fee Payment Receipt that was issued to you at the Eagle Park Range Office, must be sighted by the VMLC Club Captain when you Register Your Attendance. The fee amount payable is subject to change without prior notice.
The State Championships have a different fee structure to that described above; see the State Championship form.

5. **Target Scoring Procedure**. Members score their own target/s after each competition. These are to be immediately checked by any other member who will ensure that the scores and calculations are correct and will then initial the targets which are then placed in the allocated area in the Club-Room.

6. Competitions are 13 shots with the best 10 to count, except where noted.

7. **Competition Starting Times**. These times were accurate up until when the SSAA (Vic) imposed a cease fire every hour starting from 10:00am, and quite often in conjunction with Main Range 1 cease fires. This has severely impacted on the timing of our competitions, consequently, competitors are advised to try and shoot one and a half to two competitions between cease fires.
Historically, 30 minutes are allowed per competition, except where noted.

8. The 50-metre precision target, or similar, is the standard target for competitions, except where noted, and the "Big-Bull" target is the standard target for competitions of 200 metres or longer.

9. Off-The-Body competitions require that the competitor to carry all loading items except for a loading rod; a ten-point penalty shall apply for non-compliance. Spotting or Coaching is **not** permitted during Off-The-Body competitions.

10. Handgun competitors participating in competitions at times other than indicated may result in their score not being eligible for a placing.

11. Handgun competitors are obliged to record their own competition and participation details in the appropriate forms in the Club-Room. **The onus for this is solely on the Handgun Competitor.**

12. Gong competitions are by elimination after 3 shots; Duelling Gong competitions are by elimination after first miss / loss.

13. **All Day Competitions:** The following competitions, usually held at the 9:00 Time Slot, are generally All Day Competitions:

(i) **FFS** 25m Four Stars, 10 shots handgun and 10 shots rifle, all to count, Black Powder **OR** Smokeless.
(ii) .22 calibre **Standard Pistol** 25m Six Bull Target 30 Shots, all to count.
(iii) **Repeating Rifle** (lever / pump action) 50m offhand 13 shots, and 100 offhand 13 shots (best 10 of EACH to count).
(iv) 25m Centrefire Handgun Six Bull Target 30 Shots, all to count.
(v) 25m Bok Bok and 50m Oink Oink – 20 Shots at Each, all to count.
(vi) Swing Your Swinger, 20 Shots, all to count., any firearm.
(vii) Other Muzzle Loading Longarm competition, but not every month.

SSAA-Victorian Muzzle Loading Club
Competition Programme 2025

Awards - January to October:
Award cards are presented every month to competition place-getters, and a card or award for the highest muzzle loading rifle aggregate score. The same applies to the Class Champions.

Annual Aggregate, and Other Awards:
Annual Aggregate Awards will be presented at the December Shoot (as will the Encouragement Award, and Most Improved Handgun Shooter Award) - see below for Aggregate details; these will be finalised after the November shoot.)
Note: A "Shoot" is a competition shot on any one day, and usually comprises of one or more events.

*FFS (F****** Four Stars, aka Field Four Stars):*
6 Shoots with the best 4 to count from January, February, April, June, August, and September.

Breech Loading Rifle:
4 Shoots with the best 3 to count including the Championship Aggregate Score, February, April, June, and August.

Breech Loading Shotgun:
3 Shoots with all to count from January, March, and June.

Handgun – Class 3:
4 Shoots with the best 3 to count including the Championship Aggregate Score, March, May, July, and September.

Muzzle Loading Flintlock Rifle:
3 Shoots with all to count including the Championship Aggregate Score, July, September, and November.

Muzzle Loading Rifle:
9 Shoots with the best 6 to count including the C1 and/or C2 Championship Aggregate Score, February ~ October inclusive.

Muzzle Loading Shotgun:
4 Shoots with the best 3 to count including the Championship Aggregate Score, February, April, August, and October.

Repeating Rifle:
6 Shoots with the best 4 to count from January, February, April, June, August, and September.

Standard Pistol:
4 Shoots with the best 3 to count from March, May, July, and September.
